FLEXNECK SILVER & BLACK - WINDPROOF

Meet the next generation of the popular outdoor utility lighter. Two rugged finishes – satin chrome and rubberized flat black – make these a great fit for the toolbox, tackle box, or camping gear stash.

The flexible extended neck, topped by a lean, powerful nozzle, is slim and sinuous enough to reach even the smallest lighting apertures.

Like its predecessor, the flex neck utility lighter is wind resistant, child resistant, and boasts reliable dual flame technology.

CLVR Emblem

For centuries, the four-leaf clover has been a universally accepted symbol of good fortune. Finding an elusive four-leaf clover is considered an omen of good luck... now Zippo ups the odds of good fortune with a **genuine four-leaf clover** encased in an epoxy domed emblem.

Zippo has come through some fundamental moments in history, becoming a cult object during the Second World War for United States soldiers, for whom their lighters were as important as their family photographs.

Later on, Zippo made its glorious debut in Hollywood, appearing in the hands of the stars of more than a thousand films. Today Zippo is getting ready to write another page in the history books by dressing the modern man, with the ambitious goal of Zippo Total Look.
