AN IMPORTANT LINK IN THE LOGISTICS CHAIN

From the sea, the Port of Grenaa is the most central port in Denmark and located closest to sailing routes through the Kattegat. On land, the port features with open areas close to the quayside designated for industry and at a good distance from residential areas and the town centre.

The Port of Grenaa is an attractive and service-minded commercial port. We are a stable and flexible partner, offering the very best conditions for running your business efficiently and problem-free. We can do so by having a high loading and unloading rate, and a strong team with valuable experience and a wide range of skills.

A stable partner
you can count on

BECOME A PART OF A DYNAMIC AND INNOVATIVE PORT

The Port of Grenaa is part of a truly dynamic business network composed of a number of large international, national and regional industrial enterprises. We can support your core business with a full range of facilities and the very best in service.

Strong industrial political support is one of the factors that make the Port of Grenaa into the ideal partner, able to help realise the next project for your business.
